Dear participating employers and scheme members,

We are writing to you about the scheme restructuring (the "**Restructure**") of Sun Life Comprehensive, under which participating employers and scheme members of Sun Life Comprehensive ("**Scheme Participants**"), their accrued benefits and account balances will be transferred to Sun Life Rainbow MPF Scheme ("**Sun Life Rainbow**"), and the Restructure will be conducted in accordance with the relevant governing rules of the schemes.

This part summarizes the changes which are elaborated in the main body of this Notice.

If you have any queries in terms of the Restructure, its arrangement and the services of Sun Life Rainbow, please contact our designated hotline at (852) 3183 1800.

About the Restructure

- (i) With effect from November 29, 2023 (the "**Effective Date**"):
- there will be a restructuring arrangement among Sun Life MPF Basic Scheme ("**Sun Life Basic**"), Sun Life Comprehensive and Sun Life Rainbow, under which Sun Life Comprehensive, together with Sun Life Basic will be restructured and merged into Sun Life Rainbow. Details of the restructuring of Sun Life Basic are set out in the notice to the participating employers and scheme members of Sun Life Basic;
 - for Sun Life Comprehensive, all Scheme Participants will be transferred from Sun Life Comprehensive (the trustee of which is Sun Life Pension Trust Limited) to Sun Life Rainbow (the trustee of which is Sun Life Trustee Company Limited ("**Sun Life Rainbow Trustee**")); and
 - **(a) for scheme members' accrued benefits under Sun Life Comprehensive, they will be redeemed and fully re-invested into the constituent fund(s) ("CF(s)") offered under Sun Life Rainbow and (b) for future contributions/future transfer-in monies, their investment mandates will be changed to the relevant CF(s) under Sun Life Rainbow, both according to the fund mapping arrangement under section 3 headed "Transfer of accrued benefits from Sun Life Comprehensive to Sun Life Rainbow and investment of accrued benefits and future contributions / future transfer-in monies " of this Notice, except for personal members who participate in both Sun Life Comprehensive and**

Sun Life Rainbow immediately prior to the Restructure (please refer to section 2(b)(iii)(C) of this Notice for details).

- (ii) The Restructure is in the interests of Scheme Participants for the reasons below:
- a wider and more diversified choice of CFs with distinct investment objectives will be offered to the scheme members under Sun Life Rainbow;
 - greater economies of scale will be achieved by allowing certain fixed costs to be spread over a larger asset base and consequently leading to increase in operational efficiency and overall cost-effectiveness;
 - **all scheme members will enjoy the same or lower level of management fees when compared with those under Sun Life Comprehensive after they are being transferred to Sun Life Rainbow. There will be no changes to the fees and charges structure in relation to the management fees;** and
 - **all costs and expenses incurred in the Restructure will not be charged to Sun Life Comprehensive and Sun Life Rainbow or their scheme participants.**
- (iii) As a result of the Restructure, rights and benefits currently enjoyed by the Scheme Participants under Sun Life Comprehensive may be varied. In order to ensure that the Scheme Participants will not be adversely affected, the governing rules of Sun Life Rainbow will be amended due to the Restructure, where there may be impact on the Scheme Participants. For details, please refer to Appendix 4 of this Notice.
- (iv) The board of directors of each of Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee has endorsed the Restructure. There is power under the trust deeds of Sun Life Comprehensive and Sun Life Rainbow which allows Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee to undergo the Restructure without the need to obtain Scheme Participants' consent, and the requirements stated in the trust deeds of Sun Life Comprehensive and Sun Life Rainbow for exercising such power have been fulfilled. For instructions received from Scheme Participants of Sun Life Comprehensive during such suspension period, there will also be delays in processing of such instructions under Sun Life Rainbow if such instructions are received after the respective cut-off dates and times (if any) as mentioned in section 5(b)(iv) of this Notice, from November 23, 2023 (with the cut-off date for instructions relating to direct debit authorization on September 30, 2023) to December 3, 2023, which will resume normal on December 4, 2023. Such delay will mean that Sun Life Rainbow Trustee will not be able to meet some of its service pledges under Sun Life Rainbow during the Restructure. For details, please refer to section 5 headed "Transitional arrangement of the Restructure" of this Notice.**
- (iii) Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio under Sun Life Comprehensive offers a guaranteed benefit in certain circumstances. As a result of the Restructure, an one-off

guaranteed entitlement will be applied to all the scheme members investing in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio on the Effective Date as if the qualifying conditions have been fulfilled. For details, please refer to section 4 headed "Guarantee feature and arrangement" of this Notice.**

For scheme members utilizing the fund cruiser under Sun Life Rainbow ("**Fund Cruiser**") immediately prior to the Restructure, the Fund Cruiser will continue to apply after the Restructure, except for personal members who participate in both Sun Life Comprehensive and Sun Life Rainbow immediately prior to the Restructure in certain cases, they will be deemed to have exited the Fund Cruiser upon the Restructure. About Sun Life Rainbow MPF Scheme

Sun Life Rainbow is a mandatory provident fund scheme registered with the Mandatory Provident Fund Schemes Authority[#] (the "**MPFA**") under the Mandatory Provident Fund Schemes Ordinance and authorized by the Securities and Futures Commission[#] ("**SFC**"). Sun Life Rainbow Trustee offers a diversified array of 18 CFs with distinct investment objectives, among which a new CF, namely Sun Life MPF US & Hong Kong Equity Fund, will be added to Sun Life Rainbow on the Effective Date, subject to the successful implementation of the Restructure. If you wish to obtain more details (including fees and charges, risk factors and fund structure) of Sun Life Rainbow, you may refer to the MPF scheme brochure of Sun Life Rainbow for information.

Scheme participants are encouraged to attend the webinars for detailed understanding of the Restructure. Please refer to section 11 headed "Webinars" of this Notice.

[#] Although Sun Life Rainbow has been registered with and authorized by the MPFA and the SFC respectively, such registration and authorization do not imply official recommendation of Sun Life Rainbow to Scheme Participants by the MPFA and the SFC.

The Restructure of Sun Life MPF Comprehensive Scheme

With effect from the Effective Date, Sun Life Comprehensive will be restructured, and all Scheme Participants, together with their accrued benefits and account balances, will be transferred from Sun Life Comprehensive to Sun Life Rainbow on the same day.

The Restructure is to achieve greater economies of scale by allowing certain fixed costs to be spread over a larger asset base and consequently lead to increase in operational efficiency and overall cost-effectiveness as well as providing a more diversified investment platform to scheme members of Sun Life Comprehensive. For information on the fees and fund choices comparison under Sun Life Comprehensive and Sun Life Rainbow, please refer to Appendix 2 of this Notice.

The management fees charged to the scheme members of Sun Life Comprehensive in each of the corresponding CFs under Sun Life Rainbow will either be the same or lower than those of Sun Life Comprehensive after they are transferred to Sun Life Rainbow. As such, there will be no adverse impact to the scheme members in terms of the level of management fees. Scheme members of Sun Life Comprehensive are encouraged to review and manage their portfolio, and are welcome to call the Customer Hotline or visit the Customer Service Centre of Sun Life Rainbow stated in section 6(a) of this Notice for any enquiries.

In addition, no bid-offer spread and other transaction costs will be applied for redemptions of the units under Sun Life Comprehensive and subscription of the units under Sun Life Rainbow during the Restructure process. As such, Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee confirm that the Restructure will be executed in the interests of all Scheme Participants.

Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee have fulfilled the requirements stated in clause 28 of the trust deed of Sun Life Comprehensive and clause 7.12 of the trust deed of Sun Life Rainbow respectively for exercising the power to undergo the Restructure, and jointly submitted application to the MPFA to restructure Sun Life Comprehensive in accordance with section 34B of the Mandatory Provident Fund Schemes Ordinance. The approval-in-principle of the aforementioned application has been obtained from the MPFA*.

* Such approval-in-principle does not imply official recommendation by the MPFA.

In relation to the Restructure, Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee will take reasonable and necessary steps and measures and have in place proper arrangements for the discharge of their respective duties under the schemes to ensure that: (i) the interests of Scheme Participants will be adequately protected during the Restructure and (ii) there will not be any adverse impact on Scheme Participants in terms of accrued benefits and services currently enjoyed by Scheme Participants.

Arrangements of the Restructure are set out below for your information:

1. Effective date of the Restructure

November 29, 2023

In the event of November 29, 2023 becoming a gale warning day or black rainstorm warning day (i.e. Tropical Cyclone Warning Signals No. 8 or above; or black rainstorm signal is hoisted and remains hoisted after 12:00 p.m.) or suspension of relevant stock market happens on November 29, 2023 resulted in such day being a non-dealing day on which subscription and redemption orders of any CF under Sun Life Comprehensive and Sun Life Rainbow could not be placed or executed, the Effective Date will be postponed to the next Business Day from November 29, 2023 to November 30, 2023; the suspension period end date will be extended to the next Business Day from December 3, 2023 to December 4, 2023; and the date on which dealing and instructions of transferred accounts resume to normal under Sun Life Rainbow will also be deferred to the next Business Day from December 4, 2023 to December 5, 2023.

Furthermore, in case of extreme market volatility leading both Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee to consider that the implementation of the Restructure is no longer in the interests of Scheme Participants, both Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee will review and agree on the next suitable effective date of the Restructure and issue notice to Scheme Participants regarding the detailed arrangements as soon as possible.

(iv) Any other scenarios

Sun Life Rainbow Trustee may exercise its discretion or procure the agreement of the relevant parties in making the necessary arrangements for Scheme Participants under all other scenarios. In exercising such discretion, Sun Life Rainbow Trustee will ensure that such act will be made in the interests of Scheme Participants.

(v) Fund Cruiser Arrangements

For scheme members utilizing the Fund Cruiser, the Fund Cruiser will continue to apply after the Restructure, except for personal members who participate in both Sun Life Comprehensive and Sun Life Rainbow immediately prior to the Restructure, and where the accrued benefits held in their personal accounts under Sun Life Comprehensive are redeemed and invested into Sun Life Rainbow according to the fund mapping arrangement, their personal accounts under Sun Life Rainbow will, as a result of the fund mapping arrangement, hold investments in any funds other than the four funds under the Fund Cruiser (i.e. Sun Life MPF Conservative Fund, Sun Life MPF Hong Kong Dollar Bond Fund, Sun Life MPF Hong Kong Equity Fund and Sun Life MPF Multi-Sector Equity Fund). In such circumstances, the Fund Cruiser will cease to apply and such personal account members will be deemed to have exited the Fund Cruiser upon the Restructure, and the following arrangements will apply:

- (i) for the accrued benefits transferred from Sun Life Comprehensive, they will be invested in Sun Life Rainbow according to the fund mapping arrangement; and
- (ii) for all future transfer-in monies under Sun Life Rainbow, they will be invested according to the investment mandates reflecting the allocation percentages under the Fund Cruiser applicable to the member based on the age of the member as at the Effective Date, and such allocation percentages will remain the same even when the member reaches the next age band after the Effective Date.

After the Restructure, if such personal account members wish to invest in the Fund Cruiser again, they may submit a switching instruction to Sun Life Rainbow Trustee following the normal procedures under Sun Life Rainbow.

For the avoidance of doubt, for those personal account members who participate in both Sun Life Comprehensive and Sun Life Rainbow immediately prior to the restructure, and whose personal accounts under Sun Life Rainbow will not, as a result of the fund mapping arrangement as described above, hold investments in any funds outside of the funds under the Fund Cruiser, so long as their accounts have holdings in any one of the funds under the Fund Cruiser, the Fund Cruiser will continue to apply after the Restructure.

If you have any questions relating to the above Fund Cruiser arrangements for the personal account members, you may call our hotline at (852) 3183 1800 which is designated for those personal account members who participate in both Sun Life Comprehensive and Sun Life Rainbow immediately prior to the Restructure and utilize the Fund Cruiser.

3. Transfer of accrued benefits from Sun Life Comprehensive to Sun Life Rainbow and investment of future contributions / future transfer-in monies

- (a) Mechanism of transfer of accrued benefits and investment of future contributions / future transfer-in monies

To effect the Restructure, accrued benefits of all scheme members will be transferred from Sun Life Comprehensive to Sun Life Rainbow on the Effective Date according to the following arrangements:

- (i) redeem units of CFs held by the corresponding scheme members under Sun Life Comprehensive; and

- (ii) transfer such redemption proceeds to invest in or subscribe units of the corresponding CFs under Sun Life Rainbow for each of the scheme members according to the table on fund mapping arrangement shown below.

The redemption proceeds in the accounts of each scheme member under Sun Life Comprehensive immediately prior to the Restructure will be the same as the value of holdings in the accounts of such scheme member under Sun Life Rainbow immediately after the Restructure. Please refer to Appendix 3 of this Notice for the conversion mechanism and illustrative example for details.

Any future contributions/future transfer-in monies will also be invested according to the table on fund mapping arrangement shown below, except for personal members who participate in both Sun Life Comprehensive and Sun Life Rainbow immediately prior to the Restructure (as detailed in section 2 headed "Arrangements for your participation in Sun Life Rainbow" of this Notice above).

Scheme members may compare the investment policies of CFs under Sun Life Comprehensive and Sun Life Rainbow by obtaining information of the investment policies in the respective MPF scheme brochures of Sun Life Comprehensive and Sun Life Rainbow, both of which are available for download from the website at www.sunlife.com.hk, or you may call our designated hotline at (852) 3183 1800 to obtain a copy. The investment policies, objectives and risk levels of the CFs under Sun Life Comprehensive and their corresponding CFs under Sun Life Rainbow are similar except for the CFs stated in section 3(b) of this Notice below. [#] The Sun Life MPF US & Hong Kong Equity Fund will only be available under Sun Life Rainbow on the Effective Date, subject to the successful implementation of the Restructure.

Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee are aware of the importance of the transfer of accrued benefits. As such, the redemption from Sun Life Comprehensive and subscription to Sun Life Rainbow will be carried out on the same dealing day on the Effective Date to minimize the impact of market risks. During the transfer, reconciliation between accrued benefits held in each member account under Sun Life Comprehensive immediately before transfer and those under Sun Life Rainbow immediately after transfer will be performed to ensure the transfer is complete and accurate.

As there is a normal settlement period for the redemptions of underlying funds in the CFs under Sun Life Comprehensive, the cash level of those CFs in the transition period will be higher than that stated in the investment policies. The transition period is expected to run from November 22, 2023 to November 28, 2023. The transition period may be varied but will not be longer than the period mentioned in the previous sentence under normal circumstances, subject to the holding positions of the underlying funds before the Restructure. Sun Life Comprehensive Trustee and Sun Life Rainbow Trustee will endeavour to shorten the transition period to minimise such potential market risk.

- (b) Differences in investment policies, objectives and risk levels of the CFs under Sun Life Comprehensive and Sun Life Rainbow

The Restructure will change scheme members' fund choices as shown in section 3(a) of this Notice, including the investment of scheme members' accrued benefits and the funds to be invested for their future contributions/future transfer-in monies.

According to the table on fund mapping arrangement shown in section 3(a) of this Notice, the CFs under Sun Life Comprehensive will be mapped into their corresponding CFs under Sun Life Rainbow in which their investment policies are similar, except for certain differences between the CFs which are highlighted in the table below.

4. Guarantee feature and arrangement

Sun Life Comprehensive has a guaranteed fund called Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio. In respect of each member of Sun Life Comprehensive investing in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio, it is guaranteed that the capital amount will be preserved at the end of every 5-year period of continuous investment (i.e. starting from the date when the member invests in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio) or over a shorter period if the member reaches the age of 65. The guaranteed capital amount will be the value of the member's accrued benefits in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio at the beginning of the latest 5-year period of continuous investment, plus that member's contributions to Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio during the continuous investment (net of expenses, cash not invested in the underlying APIF and any redemptions). To qualify for the guarantee, the member must hold a beneficial interest in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio at all times in the latest 5-year period of continuous investment (or over a shorter period if the member reaches the age of 65) ("**Qualifying Conditions**"), i.e. the member must continuously invest in and hold Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio at all times for a period of 5 years (or over a shorter period if the member reaches the age of 65). The guarantee will not apply in case of any fund switching or fund transfer out of Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio during the latest 5-year period of continuous investment (or during a shorter period if the member reaches the age of 65).

Upon the Restructure, the member's accrued benefits in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio will be redeemed and fully re-invested into Sun Life MPF Conservative Fund under Sun Life Rainbow as they exhibit similarities in terms of their target investments and investment objectives and risk/return profiles, thus Sun Life MPF Conservative Fund may serve the same purpose of preserving capital over the long term (even without explicit guarantee). **Sun Life MPF Conservative Fund is not a guaranteed fund and has no guaranteed features as Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio.** On the Effective Date, each member investing in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio will be entitled to the guaranteed amount in the

accounts of such member under Sun Life Comprehensive accrued up to the Effective Date as an one-off guarantee as if the Qualifying Conditions of Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio have been fulfilled on the Effective Date. If the market value of the holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio is less than the guaranteed amount on the Effective Date, the member will be compensated with the amount of such shortfall by the guarantor and such guaranteed amount will be re-invested into Sun Life MPF Conservative Fund on or before December 11, 2023. If the market value of the holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio is higher than the guaranteed amount on the Effective Date, the member will be entitled to the market value of the holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio as the one-off guarantee.

If members do not wish to be involved in the above arrangement, they may choose to (i) switch out accrued benefits from Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio to other CF(s) under Sun Life Comprehensive; (ii) withdraw accrued benefits from Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio under Sun Life Comprehensive on any of the eligible withdrawal grounds under the MPF legislation or after termination of employment, or (iii) transfer out of Sun Life Comprehensive to another scheme.

At any time within three months prior to the Effective Date (i.e. from August 28, 2023 to November 28, 2023), if any member gives instructions or makes a request to:

- (a) switch out from Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio to other CF(s) under Sun Life Comprehensive, together with **all holdings** in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio;
- (b) transfer out of Sun Life Comprehensive to another scheme, together with **all holdings** in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio at the time of transfer;
- (c) withdraw **all holdings** in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio on any of the eligible withdrawal grounds under the MPF legislation; or
- (d) withdraw **all holdings** in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio after termination of employment,

such member will also be entitled to the one-off guarantee, as mentioned above, on and accrued up to the effective date of the switching, transfer-out or withdrawal (as the case may be). **However, if only a part of the holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio is being switched out, transferred out or withdrawn, as the case may be, the member will not be entitled to the one-off guarantee.**

For some illustration examples demonstrating the entitlement of a member to the one-off guarantee under difference scenarios, please refer to our list of "Frequently-Asked-Questions relating to the Scheme Restructure" ("**FAQs**") which is available on the website at www.sunlife.com.hk, or you may call our designated hotline at (852) 3183 1800 to obtain a copy.

In case of any switching, transfer-out or withdrawal at any time within three months prior to the Effective Date (as described above), if there is any shortfall resulted from the difference between the market value of the holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio and the guaranteed amount on the effective date of the switching, transfer-out or withdrawal (as the case may be), such shortfall will be paid to the member and the member will be notified of the one-off guarantee arrangement, the amount of the shortfall, and the date on which the shortfall has been paid to the member within 8 working days from the effective date of the switching, transfer-out or withdrawal (as the case may be).

For members investing in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio immediately prior to the Effective Date, a transfer-out statement and confirmation will be issued to the

members on or before December 11, 2023 in respect of the redemption proceeds of Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio being transferred on the Effective Date. If there is any shortfall resulted from the difference between the market value of the holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio and the guaranteed amount on the Effective Date, such shortfall will be re-invested into Sun Life MPF Conservative Fund on or before December 11, 2023. A notice will be sent, together with the transfer-out statement and confirmation, to the members on or before December 11, 2023 notifying the members of the one-off guarantee arrangement, the amount of the shortfall, and the date on which the shortfall has been re-invested into Sun Life MPF Conservative Fund. The notice will also inform the members that remarks on the shortfall will be added to the next annual benefit statement and transaction history on the member login website in Sun Life Rainbow.

If you have any questions relating to the above arrangements on the one-off guarantee or the transfer-out statement and confirmation with respect to Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio, you may call our hotline designated for members who have holdings in Sun Life MPF Comprehensive Scheme Capital Guaranteed Portfolio at (852) 3183 1800 .

5. Transitional arrangements of the Restructure

(a) Amendment to the trust deed of Sun Life Comprehensive

In accordance with the trust deed of Sun Life Comprehensive, Sun Life Comprehensive Trustee may do such things as it considers necessary or desirable to provide for the restructuring of Sun Life Comprehensive and, for the purpose of the Restructure, such things refer to (i) declaring a suspension of the dealing of units of any CF of Sun Life Comprehensive, and/or the processing of any administration process, during or for the purpose of any restructuring of Sun Life Comprehensive, and (ii) signing and executing any contract notes, transfer instruments or other documents on behalf of Sun Life Comprehensive, any CF and any or all of the Scheme Participants who are subject to the Restructure. In order to expressly empower Sun Life Comprehensive Trustee to do the things referred to in the above (i) and (ii) under this section 5(a) of this Notice, the trust deed of Sun Life Comprehensive will be amended accordingly with effect from November 23, 2023.

The above amendments will be effected by way of a fourteenth supplemental trust deed to the trust deed of Sun Life Comprehensive.

(b) Suspension of instructions, dealing and services

(i) Suspension of instructions and dealing

As the Restructure involves significant preparation and administration works, arrangements will be made to suspend instructions and dealing within a reasonable timeframe. To implement the Restructure, instructions and dealing under Sun Life Comprehensive will be suspended during the period set out below ("**Suspension Period**"):

Processing of instructions from Scheme Participants	Suspended from November 23, 2023 (with the cut-off date for instructions relating to direct debit authorization on September 30, 2023) to December 3, 2023 inclusive
---	--

Dealing of subscription and redemption of units of each CF of Sun Life Comprehensive	Suspended from November 24, 2023 to November 29, 2023 inclusive
--	---

The suspension of instructions and dealing under Sun Life Comprehensive will apply to all instructions received or sent through different channels (either electronically or in paper forms) from Scheme Participants during the relevant Suspension Period.

The impact of the suspension of instructions and dealing under Sun Life Comprehensive is that any Scheme Participants' instructions received during the relevant Suspension Period under Sun Life Comprehensive will not be processed during the relevant Suspension Period, and will be carried forward to Sun Life Rainbow for further processing under Sun Life Rainbow starting as soon as practicable after the Effective Date no later than 5:45 p.m. on December 4, 2023.

Such period of suspension is considered necessary as time is required for processing all the dealing instructions, the liquidation of assets, the transfer of Scheme Participants' information and the setting up of proper accounts and records under Sun Life Rainbow, and taking into consideration the possibility of bad weather leading to a normal dealing day becoming a non-dealing day during the affected period. Scheme Participants should also be aware of the various timelines surrounding the Effective Date that are applicable to managing their accounts.

Processing of instructions and dealings of subscription and redemption of units of each CF under Sun Life Rainbow will not be suspended. However, for instructions received from Scheme Participants of Sun Life Comprehensive during the Suspension Period, it is expected that there will be delays in processing of such instructions under Sun Life Rainbow if such instructions are received after the respective cut-off dates and times (if any) as mentioned in section 5(b)(iv) of this Notice, from November 23, 2023 (with the cut-off date for instructions relating to direct debit authorization on September 30, 2023) to December 3, 2023. The processing of instructions for the Scheme Participants transferred from Sun Life Comprehensive will resume to normal on December 4, 2023 and the Scheme Participants transferred from Sun Life Comprehensive can submit their instructions through paper or Sun Life Rainbow's website at www.sunlife.com.hk from 9:00a.m. on December 4, 2023. The expected delays in processing instructions under Sun Life Rainbow in respect of the instructions received from Scheme Participants transferred from Sun Life Comprehensive will mean that Sun Life Rainbow Trustee may not be able to meet some of its service pledges. For details of such service pledges, please contact our designated hotline at (852) 3183 1800 or refer to our list of FAQs (see Question 21) which is available on the website at www.sunlife.com.hk, or you may call our designated hotline at (852) 3183 1800 to obtain a copy.

For Scheme Participants who participate in both Sun Life Comprehensive and Sun Life Rainbow immediately prior to the Restructure, their existing accounts under Sun Life Rainbow are not subject to suspension of instructions and dealing.

Appendix 3 – Conversion mechanism and illustrative example

Conversion mechanism

The total sum of redemption proceeds of each member account under Sun Life Comprehensive is determined by aggregating the total accrued benefits held in sub account(s) (calculated based on fund price of CF on the Effective Date multiplied by fund units of the corresponding fund held in each sub-account, rounded to the nearest 2 decimal places). Such amount (from redemption of fund units of each CF held in sub-account) will be applied to invest in accordance with the fund mapping arrangement as outlined in section 3(a) of this Notice. The number of fund units issued is determined by dividing the amount by the fund price of the designated CF on the same dealing date, rounded to the nearest 4 decimal places in Sun Life Rainbow. As such, the redemption proceeds in the account of each member under Sun Life Comprehensive immediately prior to the Restructure will be the same as the value of holdings in the account of such member under Sun Life Rainbow immediately after the Restructure.

Illustrative example on (A) how units being converted from Sun Life Comprehensive to Sun Life Rainbow on the Restructure and (B) how the fund mapping applies to the future contributions after the Restructure.

Employees' monetary obligations to employers	Under Sun Life Rainbow, the interest of any employee or any other person derived from the employer's voluntary contributions kept under the scheme shall stand charged with the payment of any debts or liabilities to an employer arising out of any criminal, negligent or fraudulent act or omission of the employee. The trustee may rely on a certificate from the employer.	Under Sun Life Comprehensive, if a member has a monetary obligation to his participating employer arising out of a debt to the participating employer whether or not it is acknowledged in writing or arising out of such member's criminal or fraudulent act or omission, the accrued benefits in respect of that member shall not be reduced in any way.	Under Sun Life Rainbow, the accrued benefits in respect of a relevant member will be reduced if a member has a monetary obligation to his participating employer. However, we consider that the provisions under Sun Life Rainbow offer a neutral protection to both participating employers and their employees and Sun Life Rainbow Trustee should take into account the interests of both the participating employers and their employees, hence no action is required.
